

Dear Friends of RTO, District 3

I received the card you sent me for my 87th birthday! Since 2004, you've been sending me faithfully your good wishes! I surely marvel at your thoughtfulness and friendship!! I cherish in a special way the book mark you sent me (I forget for what special occasion); but in any case I keep it in my meditation book! Here is a description of the book mark I'm talking about. At the top there is the picture of a school on which there is a bell ringing.

Written below are the following words.

RTO

Algoma

District 3

celebrates you

Thank you

at the bottom of the book mark there is a flower (a pansy) I believe.

And now, very special thanks to all of you who serve on the Executive of RTO, Algoma District 3. May God keep you and your families in His loving care!

Gratefully yours

St. Rolande St. Jules D.D.
