

RETIREMENT STUDY - VOLUNTEERS NEEDED

Are you retired? If so, we'd like to hear from you!

Researchers at the School of Human Kinetics at the University of Ottawa are conducting a study examining life style habits in new retirees. This study does not require any lab visit. There are only 3 online surveys to complete, separated by a 1-month interval. The whole study should take about 90 minutes of your time.

We are looking for retired adults who have been retired for **3 years or less**.

Participate for your chance to win one of **20** cash prizes of **\$100**.

Confidentiality is guaranteed.

This study has received a certificate of REB ethics approval from the University of Ottawa Health Sciences and Science Research Ethics Board.

Cette annonce ainsi que tous les documents relatifs à l'étude sont également disponibles en français.
